

# THE DAILY BANNER

"IT WAVES FOR ALL"

## BUSY SESSION WAS HELD BY COUNTY BOARD

### PETITION FILED REQUESTING RETURN OF COURT-HOUSE BENCHES

A petition, carrying 250 signatures, was presented to the Putnam county commissioners Monday by David Carter, of Greencastle, and Luther Gardner, of Roachdale, requesting that the benches be replaced in the first floor lobby of the court house.

The petition was duly noted and filed by the county board. However, no action was taken on the matter at Monday's session.

The commissioners awarded the county sanitary supply contract to the Heller Company of Indianapolis. Claims were also allowed.

A reorganization of the board was effected with Earl Allen being elected chairman. A. J. Smith was elected chairman pro-tem. Eric Boesen, who took office Monday, is the other commissioner.

Tuesday, the commissioners opened bids for gasoline, motor oils, kerosene, anti-freeze, transmission grease, pressure grease, water pump packing, sewer pipe, tires and tubes, grader and maintenance blades and bridge lumber.

During Wednesday's session the board will open bids on bituminous material, crushed stone, gravel, parts for trucks, tractors and graders, and machinery repairs.

## Autopsy Held For "Bushman"

CHICAGO, Jan. 2.—(UP)—Doctors from the University of Chicago performed an autopsy on the mammoth body of Bushman, the gorilla, at the Chicago Museum of Natural History today.

The huge beast died alone in his cage at the Lincoln Park zoo on New Year's morning.

Bushman's antics and escapades have enthralled Chicagoans since 1930, when he was brought to this country from French West Africa.

Zoo Director Marlin Perkins said the animal's body would be mounted and placed on display at the museum.

Thousands of persons visited Bushman who raged and played behind the reinforced bars of his cage during his lifetime.

Newspapers banneted the story of his illness last June which lingered within his powerful frame and took 120 pounds from his normal 550 pound weight.

During his illness young and older friends trooped to visit the animal. However, Bushman's keeper, Eddie Robinson, nursed him back to health, although the gorilla remained paralyzed partially in his feet and hands.

Bushman excited Chicago's interests again last October, when he lumbered out of his cage into a rear corridor.

Zoo keepers frightened him back inside with a tiny garter snake.

The good-natured Bushman twisted truck tires into pretzel shapes for exercise and to entertain the crowds.

Bushman was about 22 years old. No one knew his exact age.

### BANG-UP TIME

CHICAGO, Jan. 2.—(UP)—Firemen didn't enjoy their bang-up New Year's celebration.

The bangs came from exploding shells in a blazing gunshop. The firemen sprayed water on the shop from a safe distance.

## 20 Years Ago

IN GREENCASTLE

O. H. Smith was installed as new president of the Kiwanis Club. Other officers were Sam T. Hanna, treasurer, and James Zeis, secretary. Directors were A. J. Duff, Marshall Abrams, Don McLean, Truman Yunker and Otto F. Lakin.

Mrs. Bertha Miller and daughter, Katherine, spent the day in Indianapolis.

## NAMED TO SPAIN

NOMINATION of Stanton Griffiths, former American Ambassador to Argentina, as ambassador to Spain, will be sent to the Senate when the 82nd Congress convenes, the White House reports, announcing that the United States is resuming full diplomatic relations with Spain. The U. S. withdrew its ambassador to Madrid in 1945.

## Auto License Office Robbed

The Putnam county auto license office, located on the second floor of the First Citizens Bank building, was robbed of about \$25 in change over the weekend.

Mrs. Wanda Bundy, license branch manager, discovered the robbery when she reached the office Tuesday. The money, which had been placed in a sack, had been taken from a drawer where it had been hidden Saturday when the office was closed for the holiday weekend.

The thief apparently had used a screw driver to force the night lock on the office door to gain entrance. Mrs. Bundy said the door was locked, however, when she arrived at the office Tuesday morning.

## Father Of Local Woman Is Dead

E. A. Dyer of Casey, Ill., father of Mrs. Clinton C. Green, 502 East Hanna, died on New Year's Day in the St. Anthony hospital in Terre Haute.

Mr. Dyer was born in Amo, Ind., where graveside services will be held following the funeral at 10 o'clock Wednesday morning from the Linsey Funeral Home in Casey, Ill.

## New Honorary At The High School

Authority has been granted for the establishment of a troupe of the National Thespian Society in the Greencastle High School under the sponsorship of Urban Steedler.

The National Thespian Society is an educational organization of teachers and students established for the advancement of dramatic arts in the secondary schools. The aims of the society are two fold: to establish and advance standards of excellence in all phases of dramatic arts, and to create an active and intelligent interest in dramatic arts among boys and girls in the high schools.

Formal initiation and installation ceremonies will be held in the high school auditorium during convocation Wednesday, January 3, 1951. Those who qualified for Thespian membership and who will be initiated at that time, include the following:

Janet Umbreit, Ronald Rush, Robert Poor, Norma Sims, Martha Steegmiller, Beverly Murphy, Robert Neal, Betty Rose Hardy, Flo Ann McGuffey, Virginia DeVaney, Dorothy Bieber, and Charles Sanders.

The National Thespian Society is an "honor" or "recognition" society in the sense that students are granted membership for having performed meritorious work in dramatic arts and have met the membership qualifications and standards of their respective troupes.

## DEATH TOLL REACHES 393 OVER NATION

### TRAFFIC ACCIDENTS TAKE 256 LIVES SINCE SATURDAY

(By United Press)

The nation's war worries toned down the annual New Year's celebration and the number of dead in traffic accidents was the lowest in years.

A nationwide check showed 256 died in highway crashes from six P. M. Friday to midnight this morning. Reports were still being received from remote areas but the final toll was expected to be less than the 330 deaths which the National Safety Council had predicted.

Altogether, 395 persons died in accidents of all types during the weekend. In addition to the traffic total, there were 52 killed in fires, 11 in plane crashes, and 73 in miscellaneous accidents.

Bad weather Saturday and Sunday helped lower the traffic toll but increased the number of fire deaths in the midwest and east.

Yesterday, a mid-winter "heat wave" hit the midwest and the temperature rose above freezing in some cities for the first time in weeks.

One of the worst tragedies of the weekend occurred at Neosho, Mo., where a widowed mother and her seven children died in a fire that destroyed their home.

Two infant boys and their 70-year-old grandfather died in a fire at Winter Haven, Fla.

Four persons were killed and 11 injured in a bus crash at Bay City, Mich.

Cities throughout the country reported that the New Year's eve celebration was the most quiet in years.

## U. S. Awards DSC To Gen. Soule

TOKYO, Jan. 2 (UP)—Maj. Gen. Robert H. Soule of Laraine, Wyo., commander of the U. S. 3rd infantry division, has been awarded the Distinguished Service Cross for his extraordinary service during the United Nations withdrawal from Northern Korea. Gen. Douglas MacArthur's headquarters announced today.

Soule's division was assigned the mission of covering the withdrawal of the 10th corps in the Chosin reservoir and Hagaru areas.

The General's citation said that he displayed sound judgment, high professional skill and untiring energy in directing the operations.

It added that his continued presence at the front under bitter winter conditions and small arms fire—with total disregard for his personal safety—was an inspiration to his men.

### RUSSELLVILLE MEN JOIN AIR FORCE

Robert L. Nicholson, Charles McGaughey and Gordon Dale Grimes, all of Russellville, left Wednesday for service with the U. S. Air Force. Basic training will be at Lackland Air Base, San Antonio, Tex.

Nicholson, a World War II veteran, is a brother of Miss Imogene Nicholson. McGaughey is the son of Mr. and Mrs. Ralph McGaughey, while Grimes is the husband of Mrs. Joanne Grimes. His parents are Mr. and Mrs. Donald L. Grimes.

### DRIVER GETS TICKET

Billy Lee Query, 20, of Cloverdale Route 3, was to appear in city court here Tuesday afternoon to answer a reckless driving charge. Lee was given a ticket by local officers early Sunday morning after it is alleged he tried to elude the police car on Washington street.

### FENDER DAMAGED

An auto, driven by Chester Churchill, colored, of Crawfordsville, backed into a parked 1946 Chevrolet convertible belonging to Paul Heavin on north Jackson street early Sunday morning. City police said the left front fender of Heavin's car was damaged.

## REMINGTON GAVE SPY 'TOP SECRET', EX-WIFE SAYS

MRS. ANNA MOOS REMINGTON (left), ex-wife of former Commerce Department official William Remington, testifies in Federal court in New York that seven years ago Remington turned over a "top secret" explosives formula to Soviet Russia "as soon as possible." Remington, charged with falsely swearing to a grand jury he never was a Communist, held a commission in the Naval Intelligence Service at the time of the incident. He is shown (right) entering court accompanied by his father, Frederick (center) and attorney Walter J. Honzik (International)

## Pleads Guilty In Bank Holdup

DANVILLE, Ind., Jan. 2.—(UP)—Paul Verderosa, 22, pleaded guilty in Hendricks circuit court yesterday to the charges of bank robbery, but judgement was withheld.

The Indianapolis man, who said he tried to rob the North Salem, Ind., bank last week to get money to run away with a married woman, entered not guilty pleas to charges of inflicting injury in commission of a felony.

His attorney, A. J. Stevenson, requested time to "investigate the matter completely."

"We feel there is certain information (the court) will want to know before passing on the future of this young man," Stevenson said.

Judge Horace L. Hanna did not say when he would sentence Verderosa, whose holdup attempt was averted by two cashiers. The two signed affidavits which led to the inflicting injury charges, saying Verderosa cut them with a knife before they subdued him.

A large number of spectators crowded the courtroom to see the man who said he needed money to elope with the wife of a freshman student-veteran at Indiana university.

### INFLECT HEAVY LOSSES

TOKYO, Jan. 2.—(UP)—United Nations naval forces killed 15,355 enemy troops, destroyed 81 enemy planes and damaged 85 enemy planes in the six months ending Dec. 30, the commander of UN naval forces announced today through Gen. Douglas MacArthur's headquarters.

The commander, Vice Admiral C. Turner Joy, said the troops, rolling stock, rail installations, vehicular transport, shipping, buildings, bridges and supply lines suffered most from the naval ship and plane strikes.

## Eight Perish In Home Fire

NEOSHO, Mo., Jan. 2.—(UP)—A defective flue was blamed today for a fire which killed a widowed mother and her seven children.

The bodies of Mrs. Bobby Martin, 34, and her seven children were found yesterday at their isolated home deep in a woods three miles east of here.

Mrs. Martin's husband, a miner, was killed in a mine accident a year ago. Her children ranged in age from 15-months to 12 years.

Coroner Corley Thompson of Newton county said the fire apparently started in a defective flue which Mrs. Martin had planned to have repaired. She bought materials, Thompson said, "but couldn't find anybody to do the work."

The house caught fire once during the fall, but neighbors put it out.

## Big 3 Plan Joint Talks

WASHINGTON, Jan. 2 (UP)—The United States, Britain and France planned joint talks today in another attempt to get Russia's agreement on a big four review of all east-west problems.

Authorities here were frankly pessimistic, but they noted that Moscow has not yet slammed the door to such a conference.

Russia's reply to the western allies' latest note merely repeated demands that a big four conference be confined to Germany—conditions which the allies, up to now, have refused to accept.

The five-page Russian answer, delivered to western envoys in Moscow at the height of a New Year's Eve party, was described here as "disappointing" but not a flat rejection of the allied proposal. Boiled down, it seemed to say Russia would be willing to set down at a conference on Soviet terms.

Authorities said the major western powers will start consultations soon with a view towards drafting a reply.

The most optimistic view here is that Russia may want to hold such a conference but is merely stalling in the hope that the Chinese Communists will strengthen the East's bargaining hand by driving UN forces out of Korea before it is held.

## Canada OK's Atomic Program

OTTAWA, Ont., Jan. 2.—(UP)—The government approved today construction of a \$30,000,000 atomic energy pile designed to be vastly more powerful than the two others the nation now has.

The giant furnace will assure Canada of increased supplies of plutonium, an essential nuclear fuel.

The pile will be built at the government's Chalk River, Ont., atomic energy establishment this summer. It will be on "improved design" to keep Canada in the forefront of nuclear research for peaceful uses, government announcement said.

### TONGS BANNED

HONG KONG, Jan. 2.—(UP)—China's secret societies, whose hatched men used to clash in Tong wars in the Chinatowns of San Francisco and New York, have been banned in Red China for anti-Communist activity.

### Hospital Notes

Admitted Monday, Iona Christie, Coatesville R. 2.

Dismissed Monday, Anna Day, Greencastle, Everett Gaston, Cloverdale R. 2.

Admitted Tuesday, J. R. Baldwin, Bainbridge R. 1, Ray Fidler, Greencastle.

Dismissed Tuesday, Mrs. Frances Essex and daughter, Bainbridge.

## "Must" Bills Before Congress

WASHINGTON, Jan. 2.—(UP)—The 81st Congress met for perhaps the last time today to complete action on "must" bills of the lame duck session.

During a last-minute hitch the House and Senate will adjourn sine die sometime today to clear the way for the new 82nd Congress convening at noon tomorrow.

A deadlock on any of the pending bills could delay adjournment until tomorrow morning.

The big ones awaiting final action in the Senate would provide almost \$20,000,000,000 in emergency defense spending and would set up a \$3,100,000,000 civil defense program to protect U. S. cities against atomic attack.

The house must enact a senate-approved bill reviving the President's World War II powers to permit renegotiation of defense contracts.

It completed action yesterday on the \$3,000,000,000 corporation war tax bill and sent it to the White House for President Truman's signature.

## Flagpole Sitter Is Happy Blonde

SAN FRANCISCO, Jan. 2.—(UP)—Blonde Erma Leach, 25-year-old queen of the flagpole sitters, kicked up her heels today.

She celebrated her descent from a flagpole, where she smooched all previous records for flagpole sitting, by going to a nightclub and dancing until the small hours of the morning.

"This is for me," she laughed as she sipped a glassful of French champagne.

Dressed over her chair was a glossy fur coat, one of the prizes she got for staying aloft 152 days. Outside the nightclub was a spanking new Cadillac and she had a check for \$7,500 in her fur-lined drawer at home.

Erma came down from her perch at five minutes past midnight New Year's morning before a crowd of 5,000 that gathered around the bus on lot where she had been on view for five months.

A hillbilly band serenaded her as she mounted a saddle which was then let down a guy wire.

The last thing she did, after accepting the congratulations of her admirers, was to rush off to a hotel and take a luxurious bubble bath.

### WATER SUPPLY LOW

LOS ANGELES, Jan. 2.—(UP)—Underground water supplies in southern California were reported "at the lowest ebb on record" today, and the weather bureau saw no prospects of relief from a record period of subnormal rain, now in its seventh year.

### FATHERS AUXILIARY

Regular meeting of the VFW Fathers Auxiliary No. 1 at Gen. Jesse M. Lee Post Home, Wednesday, 7:30 p. m. Members are reminded that 1951 dues are due. Members are asked to come and get their Auxiliary caps.

## EXTRA!

WASHINGTON, Jan. 2. (INS)—President Truman today signed into law a bill prohibiting the interstate shipment of slot machines and other gambling devices. The bill grew out of joint hearings by Commerce and Judiciary subcommittees which preceded those conducted by the Senate Crime Committee.

WASHINGTON, Jan. 2.—(INS)—President Truman today signed special legislation giving the late Lt. Gen. Walton H. Walker a posthumous promotion to the rank of full general. The President's action came a short time before funeral services for Gen. Walker, thus enabling the Korean war hero to be buried with four-star rank.

WASHINGTON, Jan. 2.—(INS)—The newest Russian note to the Big Three Western Powers was believed today to have made a Big Four meeting or overall east-west differences highly unlikely.

Informed official sources said the Soviet Union agreed to a meeting of Big Four deputies to draft an agenda but insisted that demilitarization of Germany come first and that the top level conference be limited to German problems.

LONDON, Jan. 2.—(INS)—The Moscow radio broadcast today the text of a Soviet note saying that Russia "does not object" to a preliminary conference to plan the agenda of a new big four meeting, but expressing willingness to discuss only German problems.

The note, which ruled out New York as a conference site, reiterated Russia's stand that the "demilitarization" of Germany is the top priority item but that the Soviets are prepared to discuss other problems related to Germany.

### FUNERAL HELD TODAY

Funeral services for Sharon Kay Vaught, age 13 years, daughter of Dean and Goldie Keller Vaught, were held Tuesday morning from the Christian church at Linton. Burial was in the New Providence cemetery.

Miss Vaught died Friday night at the Riley hospital in Indianapolis, following an extended illness.

Besides the parents, she is survived by two brothers, and the grandparents, Mr. and Mrs. L. L. Keller and Charles Vaught, and other relatives.

### TOOK OFFICE JAN. 1

Among the various officials, who assumed office New Year's Day, were Percy Masten, Greencastle township trustee, and Alfred H. Stone, Greencastle township assessor. These two men also received congratulations from their many friends and well-wishers Monday.

### O. E. S. NOTICE

Fillmore O. E. S. regular meeting Thursday, Jan. 4, 7 p. m. Members please bring sandwiches and cookies.

Mable Petro, W. M.

## 3 Take High Court Offices

INDIANAPOLIS, Jan. 2.—(UP)—Three Indiana Supreme court judges were sworn into office at statehouse ceremonies yesterday.

The new high court justices are Floyd S. Draper, Gary, and Arch N. Bobbitt, Indianapolis, both newly-elected, and Frank E. Gilkison, Washington, who was re-elected to his past last Nov. 7. Supreme Court judge Oliver Starr, Gary, administered the oath to Draper, and former Indiana secretary of state Fred Schortemeier, Indianapolis, to Bobbitt. Gilkison was sworn in by his son, Frank Jr.

## CHINESE HORDES ONLY 11 MILES FROM SEOUL

300,000 REDS ARE PUSHING  
TOWARD SOUTH KOREAN  
CAPITAL

TOKYO, Jan. 2.—(UP)—Crack Chinese troops spearheading a 300,000-man Communist offensive smashed within 11 miles of Seoul today and the South Korean capital's fall appeared near.

The defending U. S. 8th Army reeled back in retreat up to 11 miles all along the 140-mile front across Korea under furious assault by Chinese and Korean Reds twice their number.

South Korean President Syngman Rhee called his cabinet into special session in Seoul to await word from the U. S. embassy on final abandonment of the capital. Civilians streamed south from the city by tens of thousands.

Launched New Year's Eve, the Communist offensive already had carried half-way from the 38th parallel to Seoul, split up and trapped parts of two South Korean divisions and ripped big holes in the 8th Army lines from coast and coast.

An 8th Army spokesman said the United Nations forces still were making "limited withdrawals" today and called the general situation "serious, but not critical." He said the 8th Army troops withdrew in orderly fashion to stabilize their lines.

Front dispatches said development on the eastern end of the front were "more serious" than above Seoul, where the main enemy effort was concentrated.

The Red forces in the east apparently were trying to turn the 8th Army's flank and cut Seoul's main reinforcement and supply lines running from Teagu and Pusan in the southeast.

Up to three enemy divisions—30,000 men—slashed into the United Nations forces south of Yongpo, 73 miles east northeast of Seoul and 25 miles inland from the east coast. But a security blackout cloaked progress of the battle.

Field advisers indicated that allied aerial counter-attacks had slowed but failed to stop the Communist advance.

The Far East Air Forces flew a record 812 sorties against the enemy in the past 24 hours. They slaughtered the advancing Communists by the thousands, but even more took the place of their dead comrades.

Allied pilots estimated they killed or wounded 2,650 Red troops, but ground observers put the toll at twice that. Allied artillery, tanks and small arms added to the carnage, but still the enemy came.

"The attack is being pressed... with complete disregard for losses, which have been extremely heavy," Gen. Douglas MacArthur's headquarters said in a communique.

The communique confirmed that five Chinese armies and a minimum of three North Korean corps had launched the all-out against the 8th Army's trans-Korean line New Year's Eve.

At least two Chinese divisions formerly stationed in northeast Korea have joined in the assault, the communique said.

### PUTNAM COURT NOTES

Metzger Lumber Co. vs. Clyde Sallust et al, complaint to foreclose mechanic's lien. Frank G. Stoessel is attorney for the plaintiff.

### Today's Weather and Local Temperature

Cloudy with occasional rain today, tonight and tomorrow. Slightly warmer tomorrow. High today 40 to 50 north, 50 to 55 south. Low tonight 35 to 45 north, 45 to 50 south.

6 a. m.	40°
7 a. m.	43°
8 a. m.	44°
9 a. m.	45°
10 a. m.	49°
11 a. m.	52°
12 noon	54°
1 p. m.	54°

## STRIKE TIES UP PLANT

LAUREL, Miss. Jan. 2.—(UP)—Operations at the Masonite Corp. plant here were tied up today by a strike of 2,500 members of the CIO International Woodcutters Union.

The walkout began yesterday after the union rejected an offer of seven-cent per hour wage increase as being "entirely inadequate." The plant was shut down by a strike for five months last year.

## MURDER TRIAL

CARMEL, N. Y., Jan. 2. (UP)—Television Director Herbert Gehr goes on trial today for killing his wife as she led four private detectives in a raid on his cabin love nest with another man's wife.

Gehr, 39, said he started shooting with a .22 caliber rifle because he thought prowlers were trying to break into his summer home and he killed his wife, Andrea, by mistake.

His companion, Mrs. Dorothea Matthews, leaped nude out a rear window when the shooting started.

## FEMALE PROSECUTOR

NOBLESVILLE, Ind., Jan. 2.—(UP)—Miss Frances Neal held office today as prosecuting attorney of Hamilton county, Indiana's only woman prosecutor and one of the few in the state's history.

Miss Neal, former assistant in the office of the clerk of the Indiana Supreme Court in the statehouse, practices law with her father, N. C. Neal, former state appellate court judge. Her grandfather and great grandfather also were judges.

## HONEST MISTAKE

HARTFORD, Conn., Jan. 2.—(UP)—Bertha Scott, visiting a patient at a hospital here stepped into a corridor when she became thirsty. She pulled a red handle "to get a drinking cup." The men of fire companies 7, 14 and 16 and fire trucks three and four chucked it up to "an honest mistake."

## CASH IS MISSING

INDIANAPOLIS, Jan. 2.—(UP)—Oscar Davis, 49, Nashville, Tenn., manager of the "Grand Ol' Opry Company," told police last night he put \$2,500 in cash in a guest lockbox at a hotel

and it wasn't there when he called for it.

Police sought a hotel night clerk for questioning. They said the hotel reported it hired the clerk three weeks ago but he hadn't reported for work since the night Davis said he left the money in the lockbox.

## MAN ELECTROCUTED

CHICAGO, Jan. 2.—(UP)—A man identified as Joseph Bonanno, about 50, of 121 S. Division St., Buffalo, N. Y., was found dead today near the third rail of an electrified elevated line here.

Officials said the exact cause of death was unknown but that the man had suffered burns on the legs, arms and neck, indicating that he had come in contact with the third rail.

Detectives said he may have fallen off a train onto the track. The body was found on the north side of Chicago, on the northbound track and some distance from a station.

## HUNT TWO FLIERS

WAYCROSS, Ga., Jan. 2 (UP)—A rescue party searched a wooded area north of here today for two Marine fliers who bailed out of an airplane over South Georgia last night.

The wreckage of the SNB plane from the naval air station at Jacksonville, Fla., was found on the Thigpen farm eight miles north of here.

The Civil Aeronautics Administration at Jacksonville said the pilot radioed shortly before midnight that he and a passenger were going to parachute because the plane was running out of fuel.

The Navy confirmed the report but would not divulge any details.

## STORE HOURS

It was announced by the Retail Division of the Greencastle Chamber of Commerce that all stores, offices, and banks will remain open all day Wednesday, January 3rd because of the legal holiday observance on New Years Day.

Miss Jo Bergmann has left to return to her home in Washington, D. C. Miss Bergmann has been visiting her brother, Fred Bergmann and family.

THE DAILY BANNER  
and  
HERALD CONSOLIDATED

Entered in the postoffice at Greencastle, Indiana as second class mail matter under act of March 7, 1878. Subscription price 20 cents per week; \$4.00 per year by mail in Putnam county; \$5.00 to \$7.50 per year outside Putnam County.

## SOCIETY

Terre Haute Girl To  
Wed William Garrett

Mr. and Mrs. Arthur H. Fromme of Terre Haute have announced the engagement of their only daughter, Nancy Ellen, to William M. Garrett, only son of Mr. and Mrs. Willard Garrett of Greencastle.

Miss Fromme is a graduate of Wiley High School and a senior at Indiana State Teachers College, where she is a member of the Lambda Delta Phi sorority and the Association for Childhood Education.

Mr. Garrett is a graduate of Greencastle High School and served two and one half years in the Naval Air Corps as a radio technician. He is now in business with his father in decorating. The wedding date is set for Feb. 4th at Kingsley Chapel at Fairbanks, Ind.

Morrison-Brewer  
Wedding Announced

The marriage of Miss Marie Brewer and Norman Morrison was solemnized Saturday, Dec. 30th, at the home of the bride, near Cloverdale. The bride is the daughter of Mr. and Mrs. Ray Brewer, of Cloverdale and the bridegroom is the son of Mr. and Mrs. Kenneth Morrison of Cloverdale.

Rev. Clarence Barr officiated at the single ring ceremony. The house was beautifully decorated with red gladioli, greenery and white candles.

The bride, given in marriage by her father, wore a white street length dress, with navy accessories, and a white carnation corsage. Her attendant, Mrs. Charles Brewer, wore a light blue street length dress with black accessories, and a yellow carnation corsage. Charles Brewer was best man.

Bridal music consisted of "Indian Love Call," "Ave Maria," and the traditional wedding march.

The bride's mother, Mrs. Ray Brewer, wore a dark green dress and a corsage of yellow carnations. The bridegroom's mother, Mrs. Kenneth Morrison, wore a dark green suit, and a yellow carnation corsage.

After a wedding trip to Cincinnati, Kentucky and West Virginia, the young couple will reside on a farm east of Cloverdale.

Friendly Circle  
Club To Meet

The Friendly Circle Club will meet Friday, Jan. 5, at the home of Mrs. Roy Brackney. Members please note change of meeting place.

Women of Moose  
Meets Wednesday

Women of the Moose will meet Wednesday at 8:30 p. m. at the Home. Lets start the New Year with a good attendance.

Delta Theta Tau  
Meets Tuesday

Delta Theta Tau will meet this evening at 8 o'clock at the home of Mrs. Walter Ballard.

D. A. V. Auxiliary  
To Meet Wednesday

The D. A. V. Auxiliary No. 83 will meet Wednesday, January 3rd at 7:30 p. m. at the Legion Home.

Crescent Club  
To Meet Wednesday

The Crescent Club will meet Wednesday afternoon at 2:30, at the home of Mrs. James Johnson.

## CARD OF THANKS

We would like to thank all our friends, relatives and neighbors for the many acts of kindness shown us during our hour of sorrow and loss.

Your kindness is more deeply appreciated than words can express.

Mrs. James O. Moore  
Mrs. Audrey W. Cradick  
pd.

ANNIVERSARY  
WEDDING

Mr. and Mrs. Harry Livengood, 26 years Monday, January 1. Mr. and Mrs. Elmer Frazier 14 years today, Jan. 2.

Huge Machinery  
For Air Force

DAYTON, O., Jan. 2.—(UP)—The U. S. Air Force announced today it had awarded a contract for construction of the two largest and heaviest hydraulic presses ever devised. They will be large enough to produce an entire airplane wing section.

Officials at the Air Materiel Command at Wright-Patterson Air Force Base declined to disclose the exact dimensions of the new super-presses, but said the giant machines would have a capacity greater than 50,000 tons—a figure far in excess of any hydraulic press ever built—and will tower six stories high. The presses will be built by the Loewy Hydropress Co. of New York and are expected to be in operation by mid 1952.

The Air Force order, AMC said, is another step in the large press program sponsored by the Department of Defense to provide facilities for the plastic forming of metals, specifically by closed die forging and extrusion methods.

The machines will shape metal into the form desired in one operation and at speeds and dimensions hitherto unattainable. An AMC spokesman said it will be possible to produce entire wing sections at one working of the press. Wing sections are now fabricated from many separate parts, fastened with countless numbers of rivets.

The present world's largest die forging press (33,000 tons) is operated by the Russians, the AMC said. It was built in Germany and was acquired by Russia as partial payment of war reparations.

Plans for building the monster presses, AMC spokesmen said, evolved from experimental work the Air Force has conducted at its manufacturing methods pilot plant at Adrian, Mich.

## 4 TEETH AT BIRTH

CHICAGO, Jan. 2.—(UP)—A baby girl was born a week too late to be considered a Christmas present, but she entered into the holiday season with the almost proverbial Christmas front teeth. However, instead of just two teeth, baby Irene had four teeth at birth.

16 Take Dip  
In Icy River

FORT WAYNE, Ind., Jan. 2.—(UP)—Fifteen men and a boy welcomed the new year with an icy plunge into the St. Joseph river and claimed the water "was swell."

Some 400 befurred and earmuffed spectators who lined the shore in 30-degree weather to watch the mid-winter dip thought it left the swimmers a little pink.

But the hardy Polar Bear clubbers called it "a perfect way to start a new year."

Forrest Faust, the club president and veteran of similar icy dips each New Year's day since 1940, considers it a variation of a New Year's day "eye-opener." He was first man on the scene, clothed in bathing trunks and armed with a thin-bladed spud—the kind ice fishermen use. The spud handle broke as he chopped through a four-inch coating of ice, but not until there was a hole big enough for the hardy souls to jump in.

About five minutes of splashing put the 16, including 11-year old William Mann, in good standing as 1951 Polar Bear members. Then they broke into a run to the nearby St. Joe athletic club for a hot shower.

## NEW MAYSVILLE

Wanda and Sharon Walton of Stilesville, Mr. and Mrs. Albert Mantooth of Bellville, Mrs. Russell Miller, Raymond and Pearl Whitefield, Mr. and Mrs. Kimball Powers from Bainbridge, Mr. and Mrs. Arthur Barker and son, Mr. and Mrs. Fred Gown and daughter and Mrs. Annie Eggers.

Mr. and Mrs. Otho Eggers visited with relatives in Indianapolis Sunday.

Howard and Carl Newberg visited Sunday with Mr. and Mrs. Russell Miller.

Visitors on Christmas with Mr. and Mrs. Clarence O'Hair and daughter and Mrs. Moine Keck and son were Mr. and Mrs. Harold Stringer and daughter of near Belle Union, Mr. and Mrs. Paul Keck and family of Mooresville, Mr. and Mrs. Paul Keck

and family of Mooresville, Mr. and Mrs. Lester Crosby and family of Indianapolis.

Mr. and Mrs. Ples Malicoat and family spent the week end with Mr. and Mrs. Herbert McGraw and family at Indianapolis.

Aunt Bell Keck of Barnard visited last week with Mrs. Moine Keck.

Mr. and Mrs. Clarence Ward called at the home of Mr. and Mrs. John Malicoat and Mr. and Mrs. Ples Malicoat and family Friday night.

Sunday visitors at the home of Mr. and Mrs. Clarence Ward and Alvera Weller were Mr. and Mrs. Walter Ward and daughter of near Morristown and Wm. Walls.

Mrs. Ernest Drake spent last week with her daughter, Mrs. Harold Fletcher and family at Roachdale.

Mrs. Eva Malicoat and girls are visiting with Mrs. Gertrude Thomas and girls at Greencastle.

Mr. and Mrs. Otho Eggers visited with relatives at Indianapolis Sunday.

Howard and Carl Newberg visited Sunday with Mr. and Mrs. Russell Miller.

Purdue Expert  
Defends Potato

LAFAYETTE, Ind., Jan. 2.—(INS)—Indiana agriculture is a five billion dollar industry.

The department of agricultural economics at Purdue University said today that the \$5 billion investment of owner-operators, tenants and landlords made agriculture the state's largest single industry.

Farm real estate, including land, buildings and other permanent improvements, accounted for approximately \$3 billion of the total assets, as reported Jan. 1.

Livestock, crops and equip-

ment added \$1.2 billion and financial assets, \$800 million.

The 175,000 farms of the state, representing an average investment of \$28,000 each, returned cash receipts of more than \$5,000 per farm, during 1949, the department said.

Liabilities were reported at less than \$350 million, of which about \$200 were in farm mortgage debts and \$150 million in short-term debts owed to lending institutions, merchants and individuals.

The farm economists added another fact of foremost importance to anyone planning on starting farming. They said that for every dollar required on a farm in 1940, it would take \$2.50 to start the same farm now.

Agriculture Is  
A Big Business

LAFAYETTE, Ind. Jan. 3.—(INS)—A Purdue University nutritionist came out in defense of the much maligned potato today, but she may hear from the candy manufacturers!

Miss Opal D. Stech, Purdue extension nutrition specialist, told the fat-fearful that "a medium sized potato contains only 100 calories but gives extra protective minerals and vitamins, while two small pieces of candy often give only calories."

Miss Stech said that such remarks as "potatoes are fattening" were a slander on an important item of diet. Potatoes are not only economical and well-liked, but contribute five of the eight factors considered in calculating a good diet.

However, Miss Stech did not favor that good old favorite—fried potatoes. She advised:

"Potatoes contain important minerals and vitamins—the best way to retain these are to cook them in their jackets. Steaming

or boiling in the skins contains more vitamins than baking if potatoes are to be creamed, or parished, cooked in their jackets first."

She suggested balancing potatoes with a dessert containing milk and eggs when used as the main part of a meal since the amount of protein potatoes is small.

Miss Stech also advised wives to select meaty type potatoes for mashing or for creamed dishes. She said clean potatoes, free from decay, sprouts or green, should be purchased and stored in a cool—but not cold—place.

### REDS PRESS ON 38TH PARALLEL

CHINESE COMMUNIST forces attempted to bridge the Imjin river at Korangpo (1), and drove UN forces off high ground 13 miles north-east (2) of Chongju. Other Chinese forces were identified in Kaesong sector (3). Communist guerrillas are fighting South Korean troops far below the 38th parallel at Chongju (4), Chongju (5) and Unbong (6).

# Looking at Life

ERICH BRANDEIS

As I was riding through Pennsylvania's lovely hillsides a few days ago a strange procession of ghosts appeared before my eyes.

Ghosts were the last thing I had expected to meet on this journey. I had just finished a nice luncheon with some newspaper friends in Philadelphia and was on my way to the "Open House" of the Phoenixville Republican, one of the newspapers that publish this column.

Owing to the fact that the luncheon was something of a reunion of old friends, I had missed the only train that would have gotten me into Phoenixville before the "Open House" became a closed house.

So I hired a car and sat beside the driver, who also acted as my guide.

We drove along what is called the "Main Line," Philadelphia's millionaire row, through Bala-Cynwyd, Bryn Mawr, King of Frussia and other little villages littered with \$100,000 shacks, and finally approached Valley Forge.

That is where I met the ghosts. Right through the battle fields we drove—those battlefields where Washington's half-starved, half-clothed army spent the ter-

rible winter of 1777-78 one of the darkest periods of the Revolution—and of our country's history.

It must have been an illusion. But I am sure that in the fog I saw those tattered soldiers marching up the hill to that huge complex of buildings called the Valley Forge Army Hospital to join their comrades of later days and to exchange experiences with them.

It seemed so significant that that hospital should be located at Valley Forge.

Valley Forge—Bataan-Korea—the three tragic names in American history.

And up in those buildings are the ghosts of that first black period and the human wrecks of our latest disaster.

The driver—an ex-soldier himself—had visited one of his

friends up there at the General Hospital just a few days ago.

Four of the fingers of his right hand had been cut off by those "Volunteer" Chinese.

"Funny people, these Chinese," goes the saying. Yes, very funny. They thought that by cutting off his fingers they could make a traitor out of an American soldier—and hundreds like him.

At any rate, joked these funny Chinese, those fingers would make nice little war-souvenirs.

There was another boy up there, the driver told me, who was a terrible sight to behold.

He had been one of a truckload of soldiers captured by the Chinese Communists.

They tied our boys to their truck, then set the truck on fire. While their prisoners were burning to death, these "funny" Chinese danced and yelled with glee.

By a miracle this young fellow got away and is now up there at the Valley Forge hospital.

It was a strange trip, indeed—with my thoughts of the dead ghosts of Valley Forge and the living ghosts of Korea riding along.

### 22 KILLED, 55 INJURED IN BRAZIL

22 PERSONS ARE DEAD and 55 injured in this pile-up of a jammer excursion train in a mountainous region near Victoria, Brazil. One of 5 passenger coaches left the rails, pulled several others down the steep ravine with it.

## YOU'RE TELLING ME!

By WILLIAM RITT Central Press Writer

INMATES of the Kansas City hoosegow, according to a new ruling, must be notified when oleo instead of butter is served on their bread. Otherwise, are they permitted to have their meals elsewhere?

Rainbows, says a meteorologist, are seldom viewed in December. Apparently, he's never seen a typical Christmas tie.

In the South Seas bones are often used for money. In America they're rolled to win or lose it.

The British Broadcasting company hopes to televise the spectre of Catherine Howard, ex-wife of

King Henry VIII, executed in 1542. We'd say they don't have a ghost of a chance.

Kate was No. 5 in the list of Bluff King Hal's wives. Bet she'd have a much better Hooper rating than that!

Zadok Dumkopf, still worn from his Christmas shopping, is working on a new invention—an escalator with chairs.

The government's cost of living index, it is now revealed, is based on items families purchased 15 years ago. Fifteen years ago? No wonder we can't make ends meet today!

### NO ALUMINUM

WASHINGTON, Jan. 2 (UP)—Richard S. Reynolds, Jr., president of the Reynolds Metals Co., said today that civilians will get no aluminum at all unless the nation raises its production goal of 2,500,000,000 pounds a year.

Even with imports from Canada, he said, there would not be "very much" for civilians after military orders are filled.

BASKETBALL FOOTBALL BOWLING

Tiger Cubs Rap Sullivan, But  
Bow To Paoli In TournamentThe Tiger Cubs weakened in  
the fourth quarter of their af-  
ternoon game with Paoli, in the  
Mitchell tourney Monday, other-  
wise Greencastle would have  
probably copied the champion-  
ship to the meet as Paoli went  
on to defeat Mitchell in the fi-  
nal tilt Monday night. In the con-  
solation scrap, the locals wallop-  
ed Sullivan's Golden Arrows, 47  
to 34.The Cubs led Paoli 11 to 4, at  
the quarter; 20 to 15 at the half  
and 32 to 31 at the end of the  
third period. However, the  
Ramblers spurted in the fourth  
quarter to edge out Coach Tom  
Goldberry's squad, 47 to 45.Sullivan, which gave Mitchell's  
Bluejackets a real scare, led the  
Cubs, 14 to 11 at the quarter.  
But from then on, it was all  
Greencastle. The Cubs forged in-  
to a 21 to 19 advantage at the  
half and were way out in front  
at the end of the third frame, 39  
to 25. The locals then coasted  
into a 47 to 34 victory in the final  
quarter.Work of Gordon Whitman at  
a guard position in the Sullivan  
tilt was outstanding. Whitman, a  
reserve player, chalked up 7 field  
goals and two free throws during  
the encounter for a total of 16  
points which added materially in  
the Tiger Cubs' decisive win.Charley Brown was high scor-  
er for Greencastle in the Paoli  
clash, collecting 14 points on 4  
buckets and 6 foul tosses.

## This Week

Wednesday  
Fillmore at CloverdaleFriday  
Ellettsville at Greencastle  
DePaul at Canterbury.  
Roachdale at Bainbridge  
Patrickburg at Reelsville  
Russellville at Wallace  
Quincy at Belle UnionRed Heads Lose  
To VFW SquadThe Red Heads, the world's  
tallest girls basketball squad,  
put on a good show Monday  
night in the Greencastle high  
school gymnasium but the local  
Veterans of Foreign Wars won  
the game, 44 to 39. A large  
crowd witnessed the contest and  
also the curtain raiser staged by  
the Roachdale and Belle Union  
Independents which was won by  
Roachdale, 47 to 43.The main attraction, between  
the Vets and the Red Heads, fea-  
tured all kinds of basketball  
with a little baseball and football  
thrown in for good measure.  
These added features were put  
on by the girls and their antics  
made a big hit with the specta-  
tors. Even the referees, Tim  
Grimes and Stup Thomas, came  
in for their share of kidding on  
the part of the visiting Red  
Heads.The V.F.W. squad members  
soon found that the girls were  
good shots and once they got  
set, it was most always a field  
goal for the Red Heads. Their  
trick shooting pleased the fans  
and they handled the ball quite  
well.Roachdale and Belle Union put  
on an interesting preliminary  
with the outcome in doubt un-  
til the final minutes.We want to thank Clyde  
(Brick) Miller, Junior Vice Com-  
mander Department of Indiana,  
and Gwin Ensign for their help  
in the press box. We also thank  
"Junior" Crawley, loudspeaker  
"engineer," and the advice from  
behind us by Mel Meyer.All in all, it was a good show  
that was arranged by Gen. Jesse  
M. Lee Post 1559 for New Year's  
Night in this city.

## DIES IN FALL

NASHVILLE, Tenn., Jan. 2.  
(UP)—Funeral services will be  
held today for 17-year-old Ed-  
ward D. Ball, Jr., who died yes-  
terday of injuries received when

## Torso Case Victim?

TORSO MURDER victim whose nude  
body was found cut up and packed  
in two suitcases in a Brooklyn  
train station locker is believed to  
be Dorothy Martin, 35, daughter  
of the Saugerties, N. Y., post-  
master. Her mother notified police  
when she failed to hear from Miss  
Martin (above) at Christmas  
time. Investigation indicated the  
daughter had been living with  
Pasquale Donofrio, 36, for whom  
a 13-state alarm is out. Walls of  
their room in New York had been  
mysteriously painted just before  
they disappeared. (International)

AT THE VONCASTLE

It takes more than a limp to  
play a large girl, said Jane Wy-  
man, star of "The Glass Menage-  
rie," filmization of the Ten-  
nessee Williams stage hit in  
which she portrays Laura, the  
crippled daughter. The Warner  
Bros. release at the Voncastle  
Theatre on Monday and Tuesday.Voncastle LAST

## THIS MAKES IT OFFICIAL

OVERLY ELEANOR PAYNE is formally crowned "Queen of the  
Tournament of Roses" in Pasadena, Cal., by L. Clifford Ken-  
nedy, president of the event. She reigns over the Rose Bowl game and  
New Year's weekend events. (International Sound)

## TRIANON CONSIDERED FOR IKE'S HEADQUARTERS

HISTORIC TRIANON PALACE hotel (above) in Versailles, near Paris, is being considered as a possible site  
for Gen. Dwight D. Eisenhower's supreme headquarters of Atlantic pact armies in Europe. The 105-room  
structure was built in the 17th century as Trianon palace, is now modern. It overlooks the famous Ver-  
sailles gardens and is a famous weekend retreat for prominent Parisians. (International)
